**START** the route at the lamp post (**outside 34 Louth Road**) on the opposite footpath to the pub.

With the pub on your left-hand side head down Louth Road for just over a mile. You will eventually come to a large roundabout and see Waltham Tollbar School on your right-hand side. Here you need to turn RIGHT staying on the footpath. You are now on Station Road.

After turning right, you will pass the large school grounds on your right-hand side. Carry on along this footpath until you come to a small mini roundabout at the bottom. Just before you get to the mini roundabout you will pass a small fire station on your right-hand side.

At the mini roundabout you will be turning RIGHT onto Grimsby Road, but you need to cross over the road to the footpath opposite.

Once you have crossed the Road onto the footpath and turned RIGHT (keeping the mini roundabout behind you) head straight ahead on this footpath. Stay on this footpath and continue for around 1 mile – the road you are on will become Waltham Road.

Continue until you reach an area of shops on your right-hand side. You will also see a Zebra Crossing; the FINISH is just passed the crossing before the next junction at Springfield Road.

What3words for the FINISH is: `///tuned.starts.smiles`
